

# Password Request Form

**For Ascom US Partner Site and/or ProQuote Access:**

Complete the form below and return to [tony.chadwick@ascomwireless.com](mailto:tony.chadwick@ascomwireless.com)

**IMPORTANT:** Before completing this form update the Acrobat plugin here:  
<http://www.adobe.com/products/acrobat/readstep2.html>

- ✓ User Name will be the requesters first and last name with a space in the middle, i.e. "John Doe".
- ✓ Passwords are case sensitive and will be registered exactly as entered on this form. Password must be between 6 and 12 characters long, contain at least one number and one letter and must not contain special characters.
- ✓ This form should be completed by each person in organization that needs access.
- ✓ Allow 1 - 2 business days from date of request for your username and password combination to be available. Your username and password will be confirmed via email once it is available.
- ✓ Once registration has been confirmed, you may access the Ascom US partner site:  
[www.ascomwireless.com/pd](http://www.ascomwireless.com/pd).
